## Check out Watt Communities \$3,000 Good Neighbor Referral Program!

You refer a friend or family member to any Watt Communities new home neighborhood, and when they close escrow on a new Watt home, you get a check for \$3,000.

### What could be easier?

For more than 60 years, Watt Communities has been one of California's leading new home builders. In fact, with more than 100,000 homes and apartments built in many of the state's most desirable communities, there's a pretty good chance that someone you know lives in a Watt home.

So if you know someone who's thinking about moving, tell them about the beautiful new home neighborhoods from Watt Communities. If they buy a new home, you'll earn \$3,000.
